Are you up to speed on the U.S. direct lending market?

In this low interest rate and volatile environment, we feel it is important to keep current on strategies such as direct lending. Check out a short webinar where NXT Capital provided our perspective on the U.S. direct lending market in the age of COVID-19 uncertainties.

The webinar includes:

- NXT Capital's update on new and developing trends in direct lending.
- The initial response of borrowers and lenders to the coronavirus crisis, including some of the tools utilized.
- An early view on how middle-market private debt is changing.
